Accommodation - Where to live in town? - Possibility of staying with a family. -Possibility of sharing a flat with teachers.	TIPS FOR FINDING ACCOMODATION: The prices of flats in Motril are about 500 euros a month. So, to be able to afford the rent, most language assistants have to share flats with other language assistants, with teachers or even with students from the vocational studies upper level at the school. Others prefer to live in Granada, especially during their second year of stay. But this is a lot troublesome because you have to waste time and money in buses. I would not recommend that. At the beginning of the school year, there are advertisements of flats to rent on the noticeboard in the staffroom. There is also an old teacher who rents a room in her house. These websites may help you find a flat or check prices. Some of the adverts are from estate agents, so be aware of it: https://www.milanuncios.com/alquiler-de-pisos-en-motril-granada/ https://www.idealista.com/alquiler-viviendas/motril-granada/ There are some local estate agents, but they charge a fee: https://www.pisos.com/inmobiliaria-inmobiliaria_rosales_comprarcasa_motril_994802_0/ https://www.pisos.com/inmobiliaria-inmobiliaria_dva/
